Professional working proficiency

PROFILE

I'm a self-taught software developer with a passion for challenges, problem-solving, and delivering projects. I'm a self-starter dedicated to acquiring new skills and honing existing ones. My experiences have forged a strong mix of technical know-how and project delivery acumen, a must in today's fast-paced work world.

SKILLS

- TypeScript / JavaScript
- React / Next.js / Remix.run / Node.js
- HTML5 / CSS3 / Tailwind / Styled Components / SASS
- Redux / Redux Toolkit / RTK Query
- Jest / React Testing Library

PROJECTS

Our Wedding

Stack: Remix / Tailwind / Typescript / Vercel
